Deputy Convener of Drama Club in KSSBM

PROFILE

As an MSc IT student with a strong commitment to ongoing learning and professional growth, I bring a wealth of proficiency in multiple programming languages, with a focus on web development. My work is characterized by a well-structured and organized approach, combined with a collaborative spirit that ensures seamless teamwork. Proficient in problem-solving and adept at meeting deadlines with code of quality, my dedication to information system security, as evidenced by my minor, equips me to design secure and efficient software systems.

EDUCATION

Msc.IT - DAICT Gujarat, India July 2022 - August 2024

CGPA : 7.7 / 10

- Major 1 : Web Development
- Minor 1 : Information System Security

Bsc.IT - KSSBM, Gujarat, India June 2019 - April 2022

CGPA : 7.7 / 10

- Major 1 : Web Development
- Minor 1 : Data Structure and Algorithms

WORK EXPERIENCE

Intern Full Stack Developer

Summer Internship, DAICT May 2023- July2023

- The project involved the creation of a Fake News Prediction System, aimed at addressing the prevalent issue of misinformation in media. Tasked with this challenge, I successfully developed a robust system that evaluates news articles and predicts their authenticity and credibility.

Intern

Pioneer Systems May 2021- July 2021

- This was an internship in which I got to work on Technical and Functional testing of Mobile and Web Application.

Rent My Book

Winter Internship, KSSBM December 2021- April 2022

- Established and managed "Rent My Book," a platform dedicated to the collaborative sharing of books, allowing users to either lend their own books or rent books from peers.

Task Manager

Project September 2023- October 2023

- Designed and developed a task management application to improve personal productivity and showcase software development abilities. The project involved creating a user-friendly interface for task organization and to keep record of work.
